Please review procedures below. ** Required Documentation for Worldspan (1P), Apollo (1V), and Galileo (1G) Users: If applying Rapid Reprice: Do not add the waiver code; the waiver code will automatically be added to the endorsement box It is no longer necessary to document the PNR with an OSI message If not applying Rapid Reprice, please follow the instructions below Required Documentation for Worldspan (1P), Apollo (1V), and Galileo (1G) when not applying Rapid Reprice and for all other GDS Users: Waiver code placement: Waiver code should be placed in the ticket designator field if no other ticket designator is being used If another ticket designator is being used, place the waiver code in the tour code box If the tour code box is already in use, place the waiver code in the first position of the endorsement box PNR must be documented with the following OSI message: **OSI DL CHANGES PER CORONAVIRUS SIT INTL TVL 03MAR20 Policy Information** Delta will waive administrative change fees and travel agents may rebook and reissue tickets provided the below guidelines are met and applied: Travel has not commenced on the affected flight segment and the ticket has not been reissued by Delta The first departure flight is more than 3 hours away Customer has not checked in; if checked in, travel agent may contact Delta Sales Support or Reservations for assistance. Only one change is permitted under this policy (Bulletin #) without a change fee (Administrative Service Charge - ASC). Tickets can only be reissued by the agency that originally issued the ticket

Bulk/Net Fare tickets must be referred to original issuing agent

Some affected itineraries may have been proactively rebooked and reissued. If assistance is needed with additional changes, please contact Delta.

Changes outside of these guidelines are subject to the reissue rules of the ticketed fare. This includes any applicable additional collection or administrative fees.

Minimum/Maximum Stay Requirements

Minimum/Maximum Stay Requirements may be waived under these circumstances:

When a change to the outbound travel occurs, the unaffected return date may be changed to protect the original length of the trip. The return travel must be booked in the original class of service.

Change fee may be waived provided ticket is reissued within policy guidelines. In addition, PNR must be documented with OSI (where required by GDS) below and the applicable waiver code used and documented on ticket as noted below.

Future Travel Rebooking Options

Customers who reschedule their reservation and are able to reissue no later than March 31, 2020, may be subject to any applicable additional fare for their new itinerary, however, the change fee will be waived. In addition, PNR must be documented with OSI (where required by GDS) and the applicable waiver code used and documented on ticket as noted in the waiver section.

Change to Origin / Destination

Changes to Origin / Destination are permitted and subject to additional collection for the new itinerary. To reissue, apply the value of the unused flight coupon (s) and exchange to issue another ticket with the new origin/destination at current applicable fares. Collect any applicable fare difference at the time of reissue.

Change fee may be waived provided ticket is reissued within policy guidelines, PNR is documented with OSI (where required by GDS) and the applicable change fee waiver code is applied as noted in the waiver section.

Please note: For tickets reissued after March 31, 2020, change fees will apply.

Delta's Travel Exception Policy may change at any time without advance notice.
