

Dear Trade Partner,

Etihad Airways has suspended transit travel through Abu Dhabi International Airport, effective from 22:00 (UAE local time) on Monday, March 23.

If your guest is booked on a connecting flight via Abu Dhabi to anywhere else on our network, **they will not be able to travel.**

Only the following guests will be allowed entry into Abu Dhabi:

- UAE citizens and immediate family members
- Diplomatic passport holders with UAE-API clearance
- Domestic helpers of UAE Nationals with UAE-API clearance

Please advise all other guests not to make their way to the airport.

Please visit [etihadhub.com](https://www.etihadhub.com) to understand your rebooking options. We regret any inconvenience this may cause.
