

10 JUNE 2020

Dear Valued Travel Partner,

We are pleased to introduce our new Trade Portal, fitted with brand new features to make your experience seamless.

Our revamped Portal comes with a fresh new look and feel, and is sure to enhance the way we communicate our updates to you. The user-friendly site will feature travel alert notifications, up-to-date product information and our latest news, policies and ticketing guidelines.

We have also removed the need to login or register, so you can access information quicker.

Other features of the Portal include:

- New Travel Alerts option
- Press Release updates option
- Updated Ticketing Guidelines, Policies, Ancillary & Special Services
- Multiple languages now supported

We are confident that our new Trade Portal will provide you an even better experience whilst doing business with us. We will communicate further enhancements soon.

For any information, please contact your local Qatar Airways sales representative
