

Dear Travel Partner,

Due to varying local regulations in countries where Turkish Airlines offers service, we recommend you to advise your customers to check with the related consulates/embassies of their final destination prior to their departure to obtain information about specific travel restrictions and other regulations related to COVID-19.

For information on safe-travel guidelines due to COVID-19 you may check our website at the below link.

<https://www.turkishairlines.com/en-us/guidelines-for-safe-travel/>

Thank you for your continuous support.
